

Garry Kasparov sobre Garry Kasparov. Parte II: 1985-1993

Garry Kasparov on Garry Kasparov: Part II is the second volume in a major three-volume series made unique by the fact that it records the greatest chess battles played by the greatest chessplayer of all-time.

Kasparov's series of historical volumes have received great critical and public acclaim for their rigorous analysis and comprehensive detail regarding the developments in chess that occurred both on and off the board.

Part I of this series saw Kasparov emerging as a huge talent and eventually toppling his great rival Anatoly Karpov to gain the world title. This volume focuses on the period from 1985-1993 which witnessed three title defences against Karpov as well as a number of shorter matches against elite players including Hübner, Anderssen, Timman and Miles.

This period also saw Kasparov achieve spectacular results in both individual and team events. Kasparov won the board gold medal in three Olympiads (Dubai 1986, Thessaloniki 1988 and Manila 1992). The late 1980s also saw the emergence of the World Cup series which Kasparov utterly dominated, finishing either clear first or equal first at Belfort 1988 (11½/15), Reykjavik 1988 (11/17), Barcelona 1989 (11/16) and Skelleftea 1989 (9½/15). Other major tournament victories include Brussels 1987 (8½/11), Amsterdam 1988 (9/12), Tilburg 1989 (12/14), Belgrade 1989 (9½/11) and Linares 1990 (8/11).

During the late 1980s and early 1990s Kasparov emphasized his huge superiority over his rivals. Despite generally adopting an uncompromising, double-edged attacking style he almost never lost. The games in this volume feature many masterpieces of controlled aggression played against the world's absolute best.

Review

Every chess aficionado should own the complete series of recent Kasparov publications: Garry Kasparov on My Great Predecessors, Garry Kasparov on Modern Chess, and Kasparov on Garry Kasparov. Many, of course, do myself included. The entire series is a miracle of chess passion and erudition and its most recent addition Garry Kasparov on Garry Kasparov part II: 1985-1993, published by Everyman Chess, is no exception. --Arne Moll, ChessVibes.com

I can confirm the quality is every bit as high as for the previous volumes and one can order with full confidence in this being another modern classic. --Sean Marsh, CHESS magazine

Garry Kasparov is generally regarded as the greatest chess player ever. He was the thirteenth World Champion, holding the title between 1985 and 2000. His tournament record is second to none, featuring numerous wins in the world's major events, often by substantial margins. As well as his outstanding successes, Kasparov has constantly promoted the game; he has done more than anyone to popularise chess in modern times.
