Kromland Farm have been cultivating rooibos since 1902. But that's nothing - South Africa's indigenous Khoisan people have been enjoying it's rich flavour for millennia. In fact it was a Khoisan farmer that first shared with Kromland Farm the secrets of this uniquely soothing tea, and it has added vanilla to create an exceptionally smooth and sweet taste.

Kromland Farm Original Organic Berry Rooibos Tea is a naturally sweet and fruity, decaffeinated tea alternative with a beautiful berry mix of strawberry, raspberry and blackcurrant. Rooibos is packed with tons of amazing health perks too, thanks to a high level of antioxidant rich ingredients.
