

# Un Mundo de Problemas / Ms. Wiz Spells Trouble

The first in a series featuring Ms Wiz. When she takes over Class Three, strange things start to happen: an owl teaches maths; a parent gets turned into a warthog; the school inspector loses his trousers.

Terence Blacker is one of a small number of authors who write for both adults and children. His many popular children's novels include PARENTSWAP, BOY2GIRL ('I roared with laughter' said Amanda Craig in *The Times*), THE TRANSFER, THE ANGEL FACTORY and the best-selling MS WIZ series. He is a journalist and a critic, both in print and on the radio, and writes a weekly topical column in the *Independent* newspaper. He lives in Norfolk in a house he converted from a goose hatchery.
