

Much Ado About Nothing: The Oxford Shakespeare (Oxford World's Classics)

Sheldon P Zitner (Editor) Sparkling with the witty dialogue between Beatrice and Benedict, *Much Ado About Nothing* is one of Shakespeare's most enjoyable and theatrically successful comedies. This edition offers a newly edited text and a helpful and critically aware introduction that pays particular attention to analysis of the play's minor characters, and rethinks the attitudes to gender relations that underlie the comedy and determine its view of marriage.
