

Practical Ideas for Home Decoration

This book goes through the various elements of home decoration - fabrics, flooring, wall coverings, colours and lighting a space - offering a pithy description of the various options' advantages and drawbacks, often with a list of 'Dos and Don'ts' and/or a 'Top 10 Tips. It is based on interiors created by some of the most prestigious artists and interior designers in the world. Profusely illustrated, this is not only a great book for the home decorator, it will also provide a handy reference and inspiration for the design professional.
