

Solutions: Advanced: Student's Book

Solutions has been thoroughly modernized with 80% new content to draw in students, embed the grammar and vocabulary presented, and engage them in the tasks. Its guided approach builds up every student's confidence, through step-by-step objectives, lots of practice, meaningful personalization activities, and exam preparation tasks.

The course now embraces a wide range of teaching methods, furnishing the teacher with a flexible pick-and-choose package for use in the classroom, at home, and on the move. The Words app enhances independent learning while iTools enables you to enliven the material and vary the pace and focus of your lessons.

Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.
