## **Review**

Thank you. Thank you. Thank you, Mabel for allowing your Self to be a vehicle for bringing bring these two beautiful and inspiring new books to the world - The Easiest Way to Live and The Easiest Way to Grow.

For me, one word describes both books - Perfect! Pure inspiration, not an extra word nor an unnecessary word.

Although, I recommend reading both of these books over and over and taking notes as inspired, I also love to just open them at random and see what jumps off the page at me. Whether I am feeling good or not so good, it's always perfect, just what I needed. And I am uplifted.

These are definitely books I will keep close at hand wherever I am and wherever I go.

I highly recommend The Easiest Way to Live and The Easiest Way to Grow.

Thank you Mabel for these two very special gifts to us and the world.

Peace and Love, --Jimmy Piver

When we were children nobody gave us a book like this - there was no life guide available for us and therefore we were always asking the wrong questions. Today, with Mabel Katz's amazing book, The Easiest Way to Grow - Messages You Will Be Glad to Know, we can give our children a wonderful gift. Children have to be happy! They have to laugh, to sing, and to dance with the butterflies instead of shoulder the problems of their parents because they didn't have a live guide.

Mabel Katz shows children the way of Love and Happiness. She puts her heart in every single word. You can feel it with your own heart. --Irene, Germany

I simply loved The Easiest Way to Grow!

My inner child had fun while reading/listening to the wise words. How wonderful to offer the gift of Ho'oponopono teachings to our children.

Thank you Mabel for another great inspiration!

I love you! Bendiciones! -- Mara, Sao Paulo, Brazil

The just released book of Mabel Katz, *The Easiest Way to Grow*, is a generous spiritual invitation of a Master who walked a path of self-development. In her message to the younger generation Mabel Katz shares her vision and talent of creating an easy and happy life.

The sooner this knowledge is used by young people in their lives, the more abundantly their future will unfold.

Children will enjoy not only reading the book, but the illustrations, and especially Mabel's loving and nurturing voice in the audio CD that comes with the book.

I wholeheartedly recommend this book to both adults and children, because Ho'oponopono has no age differences or any other boundaries. Ho'oponopono works for everyone!

Peace Be With You! --Nata, a life-coach, Russia

*The Easiest Way to Grow* - this book to me, is about possibilities. Possibilities, as a grandpa of 5 grandchildren and one more grandchild on the way. Possibilities, of me reading the passages, from the book, answering my grandchildren's questions, and letting my grandchildren, know how truly wonderful they are, and what gift they are in my life. What a gift they are to the future, of all of us.

Thank you, Mabel for doing what you do, and allowing inspiration to flow through you, where this gift of Divinity was created in the form of a book and CD. Where my grandchildren and other parents, children, and grandparents, get a chance to spend quality time, children and grandchildren and get the gift my grandparents gave me, of both the English and Spanish attributes, and perspective. --Daniel, Corpus Christi, Texas

From the Author

From the Desk of: Mabel Katz

Dear Friends:

When we were born we were at the true source and pure at heart. We lived right here, right now, in the moment. We were innocent, not tainted from life or our memories.

With every passing birthday we acquired worries, fears, and insecurities. Then we began to form programs in the way of judgments and opinions. We became detached from who we were and began to lose our connection with nature and God's universe (the true source).

I wish All Children Peace beyond understanding.

Mabel Katz, EA, ABA

Mabel Katz instills inspiration that will last a lifetime. With her inspirational approach, Mabel gives

In 1997 Mabel started her own company, Your Business, Inc., a step that not only enhanced her own success but also increased her ability to work more directly with others. Her company had prospered by helping new and established businesses expand and grow.

Through an ancient Hawaiian philosophy, Mabel is traveling the world teaching the art of Ho'oponopono. For twelve years she studied intensively with the master Ihaleakalá Hew Len, Ph.D. Mabel is now considered a foremost authority on the art of Ho'oponopono. Its premise is simple, let go and let God. Who knows better than God what is right and perfect for us?

Mabel's first platform with Ho'oponopono was her book *The Easiest Way*. She quickly moved to hosting her own radio and television programs. She currently enjoys success as a keynote speaker and seminar leader in great demand throughout the world.

With her unmistakable style and grace, she transcends many languages. Her books have been translated and published into English, Spanish, Korean, Portuguese, Swedish, German, French, Russian, Chinese, Hebrew and Romanian. She has authored or co-authored six books, *The Easiest Way*, *Inspiration to Realization*, *Thank God I*, *The Easiest Way to Understanding Ho'oponopono*, *The Easiest Way to Live*, and *The Easiest Way to Grow*. She is in the midst of writing *Zero Frequency*, this book focuses on what you need to let go of in order to reach Zero. Zero Frequency is when you are an open channel to the goodness of God's universe, the ultimate state of being.

As a result of her personal accomplishments and her generosity of spirit, Mabel has received acclaim on the local, national and now international levels.
