

World Quest: 3: Student's Book Pack

Your students will be enchanted by award winning author, Paul Shipton's episodic story at the beginning of each unit and they will want to know what happens next. Written especially for the course, the story introduces key vocabulary at the start of each unit as well as capturing students' attention. Read the stories aloud in class or listen to them on the class audio CDs. Give your students the vocabulary, grammar and practice they need to progress quickly in English. When students use English in the real world they are most likely to want to talk about their own lives and interests, World Quest provides them with the vocabulary and grammar to do this as well as plenty of practice.
