

Yogi Tea Echinacea Tea 17 Bag

Yogi Tea's story begins in 1969 when Yogi Bhanan, an inspired and inspiring teacher of holistic living, started teaching yoga in America. He shared the wisdom and knowledge of Ayurveda and healthy living that he had mastered in India with his students while serving a specially spiced tea, which they affectionately named "Yogi Tea." The recipe contained five traditional Ayurvedic spices: cardamom seed, cinnamon bark, clove bud, ginger root and black pepper.

When blended and brewed, these delicious spices leave you feeling vibrant and alive, while boosting overall well-being. Intrigued by the complex flavor and inherent health benefits of this unique combination of spices, it wasn't long before several of the yogi's students were inspired to brew their own "Yogi Tea."

Yogi Tea Echinacea combines the precious bitterness of echinacea with the sweetness of fennel, rich caramom and a touch of pungent ginger. Enjoy a luscious sensual pleasure!
